

## **4 Reasons to Attend HCD Expo & Conference 2019**

We all know how difficult it can be to find the time in our busy schedules to attend conferences. There are some conferences, though, that are really worth your while – like the **Healthcare Design Expo & Conference**, which takes place on **November 2-5, 2019** at the **Ernest N. Morial Convention Center** in New Orleans, Louisiana.

Here are 4 reasons why *you* should attend HCD:

### **#1: Connect with industry leaders of healthcare design**

Whether it's at our networking party, association program meetings, or on the exhibit floor, we put you face-to-face with some of the most influential minds in the healthcare industry. In addition to networking opportunities, you won't want to miss our keynote presentations.

### **#2: Learn new research and case studies at 130+ educational sessions**

The Healthcare Design Expo & Conference boasts 100+ **conference sessions** among 12 **educational tracks** that provide attendees with the latest research, trends, and strategies in healthcare design and operations.

From **Advancements in Evidence-Based Design Research and Behavioral Health Practices** to **Ambulatory Care Advancements** and **Clinical Perspectives**, there's a track for every interest.

Designed to provide attendees with just-breaking information, case studies, and research findings, our educational sessions are filled with information-rich presentations and opportunities for Q&A.

In addition, attendees can earn **CEUs** from a variety of organizations, including **The Center for Health Design (CHD)**, **American Institute of Architects (AIA)**, **Interior Design Continuing Education Council (IDCEC)**, and **Nursing Institute for Healthcare Design (NIHD)**.

### **#3: Explore our exhibit hall**

The vast Healthcare Design Expo & Conference Exhibit Hall features hundreds of providers giving live demonstrations of innovative healthcare design products and services that support the design of the hospital or clinic environment. [Check it out here.](#)

Just one step into HCD's inspiring exhibit hall, and you'll experience how innovative design solutions, planning, architecture, and technology positively impact healthcare environments.

## #4: Tour Phoenix's top healthcare facilities

Facility Tours are always a highlight of the Healthcare Design Expo & Conference, offering insight into real-life examples of new innovations, as well as best practices in the design and construction of healthcare facilities. You'll experience first-hand how thoughtfully designed and built space enhances patient outcome across the healthcare spectrum.

From healing gardens that can provide a sense of restorative power, to the design and layout of a space that provides a connection to facility support functions, you'll get an up front and personal view of current innovations within healthcare design. [View all facility tours](#)

Whether you're looking for the **latest research**, **innovative products**, or **networking opportunities**, HCD brings it all together. From architects, interior designers and contractors to engineers, facility managers and nurses, the Healthcare Design Expo & Conference welcomes all healthcare professionals and enthusiasts.
