

## — IFHE Pavilion at HCD Conference + Expo —

# A Global Stage for Healthcare Engineering Solutions

New Orleans | October 17-20, 2026

The International Federation of Healthcare Engineering (IFHE) 29th World Congress will take place October 17-20 in New Orleans. The event brings together senior leaders from around the world who are focused on improving the delivery of healthcare via facility design, construction, engineering, commissioning, maintenance, and real estate management.

The World Congress will co-locate with the Healthcare Design Conference + Expo (HCD), delivering an unprecedented global destination for this industry.
